Academic programs across the disciplines of Management, Computer Science, Engineering and Technology, Biotechnology, Micro Biology, Pharmacy, Commerce, Nursing, Physiotherapy, Architecture and institute of Sports were established in the campus. In 2008, Maliba campus became full-fledged Uka Tarsadia University.

ABOUT THE INSTITUTE

UTU has started a self- financed engineering college named as Chhotubhai Gopalbhai Patel Institute of Technology (CGPIT) in the year 2009 with the view of educating and train future professionals to lead in today's competitive environment. CGPIT offers Diploma, B. Tech., M.Tech. and Ph.D. programs in various disciplines.

ABOUT THE DEPARTMENT

Department of Computer Engineering and Information Technology was established with the objective of imparting quality education in the field of computer engineering. The department offers Under Graduate and Post Graduate courses in Computer Engineering and Information Technology and Diploma course in Computer Engineering. The department has highly qualified faculty members engaged in teaching and research with the aim of achieving excellence in the field of computer engineering. Department has well equipped laboratories with high-speed wireless infrastructure. The CGPIT Library consists of variety of books, magazines, journals, and seminar reports etc. which support the teaching, research and extension programs of the institute.

ABOUT THE WORKSHOP

Research in any field is immensely required to improve the quality of work in that area. Writing and publishing a quality paper is important in research with its proper documentation and to outreach the technical community.

The workshop will be extremely useful for the PG students and research scholars to learn how to write and where to publish quality technical paper. This workshop also includes hands on session on how the paper can be written using application software like LyX and MS Word.

The topics are as follows but are not limited to:

- Performing rigorous literature survey
- Drafting of research paper
- Selection of journal and conference
- Hands-on sessions on how to use LyX and MS Word for writing thesis/paper
