Dear Sir

It is to intimate you, that IELTS Awareness Programme was successfully conducted with the objective of availing an opportunity to the students of the university, who are interested in going abroad to study further.
Flow of Program

- UTU Song
- Welcome to the students
- Information Session
- Experience shared by 1st and 2nd Batch students
- Discussion
- Vote of Thanks

Around 250 students from different departments participated in the session. They were explained the objectives of taking IELTS test, It’s importance for international studies, and the vision behind initiating the IELTS Preparation Course Centre at UKA Tarsadia University. They were informed about techniques of teaching and benefits of learning at our IELTS Preparation Course Centre. Information session was followed by a detailed discussion and questionnaire to solve their queries regarding the course. Brochures of the course were distributed to the participants. Few students shared their experience at our course centre. You would be pleased to know that our programme was a great success.

Thank you for your continuous support, guidance and motivation. We sincerely hope for the same in future.

Please find attached photos of the program.

Yours faithfully,
