Uka Tarsadia University

M. Tech.
Dissertation Preliminaries
(040210301)
3rd Semester
EFFECTIVE FROM June-2013
A. **Aim and Objective:** The student will carry out a research oriented project either in the institute, any R&D organization or Industry with significantly new contribution. At the end of the semester-III, student will submit a report on the progress of his work.

B. **Subject Code:** 040210301

C. **Subject:** Dissertation Preliminaries

D. **Total Hours:** 240 Hrs.

E. **Guidelines:**

1. Every candidate pursuing M. Tech. course is required to carry out research on a selected topic under the guidance of a recognized postgraduate teacher. The results of such research work shall be submitted in the form of a dissertation.

2. The dissertation is aimed to train a postgraduate student in research methods and techniques. It includes identification of the problem, formulation of a hypothesis, review of literature, getting acquainted with recent advances, designing of a research study, collection of data, critical analysis, and comparison of results and drawing conclusions.

3. Utmost care should be taken in selection of research topic so that repetition of research work is avoided.

4. Candidate must complete literature review and preliminary experimental work of his/her research project and submit the synopsis, duly signed by Research Guide and Head of the department on completion of Semester – III.

5. Candidate’s work will be evaluated by the external examiner through Viva-voce & Presentation.

6. Student and supervisor should take care to avoid plagiarism.
