Uka Tarsadia University
C. G. Patel Institute of Technology

B. Tech.
Semester - VII
030050704
Seminar

EFFECTIVE FROM July-2015

Syllabus version: 1.01
Objective of the Course:
To improve the communication, presentation and documentation skills.

Student Learning Outcomes/Objectives:
At the closing stage of the course, the student will be able to present the latest topics and concepts with effective communication.

Instructional Methods and Pedagogy:
Faculty members shall give the appropriate guidance regarding their field of interest.

Outline of the Course:
In this subject students are required to prepare a presentation on a preselected technical topic. The topics are to be selected by the students and must be approved by the assigned faculty coordinator/guide. Students are also required to prepare a Seminar Report on the same topic. The content of the presentation and report must be approved by the faculty coordinator/guide.
