## ABOUT THE UNIVERSITY

Bardoli Pradesh Kelavani Mandal (BPKM) is a public trust established in 1960 to cater to the educational needs of the tribal belt of South Gujarat region. Academic programs across the disciplines of Management, Computer Science, Engineering and Technology, Bio Technology, Micro Biology, Science, Pharmacy, Commerce, Nursing, Physiotherapy, Architecture and institute of Sports were established in the campus. In 2008, the Maliba campus became full-fledged Uka Tarsadia University.

## ABOUT THE INSTITUTE

UTU has started a self-financed engineering institute named as Chhotubhai Gopalbhai Patel Institute of Technology (CGPIT) in 2009 with the view to educate and train future professionals to lead in today's competitive environment. CGPIT offers Diploma, B. Tech and M. Tech and Ph.D. programs in various disciplines.

## ABOUT THE DEPARTMENT

The department is one of the pioneering departments of the Institute. The department has highly qualified faculty members engaged in teaching and research with the aim of achieving excellence in the field of Electronics & Communication & Electrical Engineering. The department offers Under Graduate course & Post Graduate programmes in Electronics & Communication & Electrical Engineering and Ph.D. in Electronics & Communication.

## ABOUT THE PROGRAM

India is moving rapidly with the world, where every sector creates a new field of opportunities for Indian professionals. To choose the right career option for a 'bright future', teenager is now opening their career door in India or abroad. Choosing the right career option is really tough for

the students and the parents as well. Now a days, students are more concerned about their professional career to stabilize their personal life and to fulfil their desires in the professional world. Career implies gainful employment, one that offers lucrative salary suitable for a comfortable living. For a glorified career option, it became necessary to know about the different career options available for fresh graduates in India as well as in abroad. The objective of this seminar is to create awareness and motivate the students so that they can choose the carrier either in India or abroad, either further study or job, either government sector or industry.
