

Congratulations to B. Tech. Computer Engineering and Information Technology students who are placed in Differenz Systems

Date: 31st July 2017

Differenz Systems conducted campus drive at Uka Tarsadia University for recent technologies like Android, ASP.NET, iOS on 31st July, 2017. The placement process was comprised of pre-placement talk, technical test, and final HR interview as mentioned in below statistics,

Rounds	Appeared	Selected
Technical Test	65	8
HR Interview	8	4

The total strength of 65 students enthusiastically appeared in campus recruitment process, out of which following students are placed as a software developer in Differenz Systems,

Sr. No.	Student Name	Department
1	Ms. Vidhi Vaishnav	Computer Engineering
2	Ms. Hinal Patel	Information Technology
3	Mr. Dhruval Viradiya	Information Technology
4	Mr. Prashant Dhameja	Information Technology

We, CGPIT and UTU family would like to congratulate all towards their success and wish to all for bright future ahead.

We, T&P Cell express our sincere thanks to our Head of department and faculty members for making this drive successful.

T&P Cell is working dedicatedly to provide the maximum placements to the aspiring students.
