

Congratulations to B. Tech. Computer Engineering and Information Technology students who are placed in Goldenmace Technologies

Date: 22nd August 2017

Goldenmace Technologies conducted campus drive at Uka Tarsadia University for recent technologies like PHP, Android, iOS and IoT on 22nd August, 2017. The placement process was comprised of pre-placement talk, technical test and final interview as mentioned in below statistics,

Rounds	Appeared	Selected
Technical Test	30	5
Interview	5	3

The total strength of 30 students enthusiastically appeared in campus recruitment process, out of which following students are placed at Goldenmace Technologies, Surat.

Sr. No.	Student Name	Department
1	Ms. Piyush Koradiya	Computer Engineering
2	Ms. Vidhi Dave	Computer Engineering
3	Mr. Hindustani Modi	Information Technology

We, CGPIT and UTU family would like to congratulate all towards their success and wish to all for bright future ahead.

We, T&P Cell express our sincere thanks to our Head of department and faculty members for making this drive successful.

T&P Cell is working dedicatedly to provide the maximum placements to the aspiring students.
