

**Congratulations to B. Tech. Computer Engineering and Information Technology students who are placed in NJ Technologies.**

Date: 28<sup>th</sup> September 2017

NJ Technologies conducted campus drive for recent technologies like Java Technologies, Mobile Technologies and DBA on 28<sup>th</sup> September 2017. The placement process was comprised of a technical test and final interview as mentioned in below statistics,

<b>Rounds</b>	<b>Appeared</b>	<b>Selected</b>
<b>Technical Test</b>	74	7
<b>Interview</b>	7	3

Total 74 students enthusiastically participated for this opportunity out of which 7 students were called for the final PI round. After selection procedure, 3 students finally placed for internship at NJ Technologies, Surat.

<b>Sr. No.</b>	<b>Student Name</b>	<b>Department</b>
<b>1</b>	Jariwala Romin	Computer Engineering
<b>2</b>	Jay K. Rathod	Computer Engineering
<b>3</b>	Parth Gajera	Computer Engineering

We, CGPIT and UTU family would like to congratulate all towards their success and wish to all for bright future ahead.

We, T&P Cell express our sincere thanks to our Head of department and faculty members for making this drive successful.

T&P Cell is working dedicatedly to provide the maximum placements to the aspiring students.
