

Congratulations to B. Tech. Computer Engineering and Information Technology students who are placed Bizsalt.

Date: 25th July 2018

Bizsalt conducted campus drive at Uka Tarsadia University for full stack javascript developer on 25th July 2018. The placement process was comprised of pre-placement talk, and technical test and HR interview as mentioned in below statistics,

Rounds	Appeared	Selected
Technical test	15	8
HR Interview	8	1

The total strength of 15 students enthusiastically appeared in campus recruitment process, out of which following 1 student is placed at Bizsalt.

Sr. No.	Student Name	Department
1	Ms. Bhumi Khimani	Computer Engineering

We, CGPIT and UTU family would like to congratulate all towards their success and wish to all for bright future ahead.

We, T&P Cell express our sincere thanks to our Head of department and faculty members for making this drive successful.

T&P Cell is working dedicatedly to provide the maximum placements to the aspiring students.
