

Congratulations to B. Tech. Computer Engineering and Information Technology students who are placed in Tata Consultancy Services - TCS

Tata Consultancy Services has organized TCS National Qualifier Test (TNQT) 2020. The objective of this drive is to select the best talent in the country to fuel the growth plans of TCS with its Business 4.0® Strategy. Being a leader in the digital transformation space, TCS is happy to invite bright minds from across the country to explore the world of opportunities with TCS.

TCS Off Campus - Batch of 2019 is a PAN India Drive beginning with an Online Test followed by a Personal Interview which had three rounds - Technical, Managerial & HR. TCS has organized these online test pattern in different levels with, different levels of difficulties as well as packages. One of the levels, is known as TCS Ninja level in which first online test round consists of English, Quantitative Aptitude, Programming Concepts and coding. Other higher level is TCS Digital in which, first online test round consists of English, Quantitative Aptitude, Lateral Thinking, Agility, Programming Logic and Advance coding. Students selected for TCS Ninja will get package of 3.36 Lacs whereas students selected for TCS Digital will get package of 7.4 Lacs. From department of computer engineering and information technology 60+ students participated in first round of online test and few got selected further as given in below mentioned statistics,

Rounds	Appeared	Selected
Aptitude Test	60+	11
Technical Interview	11	08

The total strength of 60+ students enthusiastically appeared in recruitment process of TCS, out of which following 8 students are placed at TCS,
