A report of

One day workshop on entrepreneurship

“Exploring startup-Ideation to Accomplishment”

CGPIT in association with E-Cell Uka Tarsadia University organized One day workshop on entrepreneurship “Exploring startup-Ideation to Accomplishment” on 4th October 2019, Friday at SRIMCA theatre Room. Total 55 students of B.TECH participated in it.

Objectives: Aim of the workshop is to encourage and motivate Engineering students for entrepreneurship, which will boost their inner urge for becoming self-employed in future, to provide them insights about small scale business, its operationalities and how technology can create value to small business. Workshop will make students aware about entrepreneurial practices going on in corporate world that would be shared by young entrepreneur and trainer.

Schedule of Event:

- Registration
- Inauguration ceremony
- Expert sessions
- Open Forum
- Valedictory function

The workshop began with UTU anthem; proceed to a warm welcome to Mr.Jemis Viradiya Founder and CEO of enclifestyle, and other delegates with flower bouquet. Dr.Chinmay Desai Chairman of Entrepreneurship development cell UTU gave inaugural speech; he encouraged and motivates students to make their career in innovative business either as an entrepreneur or Intrapreneur also gave information about E-Cell and Incubation center activities of UTU and inspired participants.

Expert session-I began with talk of Mr.Jemis Viradiya young entrepreneur and CEO of enclifestyle, he enlightened students with grass root knowledge about the ways to start up and how to identify the problems of the society and how to solve these problems by entrepreneurship activity. Speech began with innovative ideas which are demanded in market, strategies to convert ideas into business. In addition, he shared his entrepreneurial journey from students to entrepreneur .He also covered the area and field of start up business. His speech was followed by question answer session in which students get their doubts solved.

Mr. Bhagirath Goswami Entrepreneur and renowned export consultant Continued the session –II on topic ‘**International Business opportunities in 21st century**’ His speech began with simple story of Indian business and how youth can contribute to increase the value of our country products into international market. He informed students about various Indian products which are highly demanded in international market and opportunities to start export business and he also talked about some policies and strategies for export business.

Third session followed by Mr. Nirav Parekh startup founder at ATRI Consulting. His speech covered the ideas of business which are demanded in market as well as how one can enter into entrepreneurial world with some basic understanding of business and its activities. All three sessions were quite innovative in terms of ideas and execution and students were fully involved. Session ended with question answer session in which students get their doubts solved. The program ended with vote of thanks to all three esteemed speakers, students’ participants and faculty co-coordinator followed by national Anthem. The program was quite informative and interesting too.
