

About The University

Bardoli Pradesh Kelavani Mandal (BPKM) is a public trust established in 1960 to fulfil the educational needs of the tribal belt of south Gujarat region. BPKM established state private university entitled Uka Tarsadia University(UTU). UTU established on 14th October, 2011 as per the Gujarat state Act 8, 2009 along with amendment act 25, 2011. UTU is located on the Bardoli Saputara state highway nr. Bardoli, Di. Surat, Gujarat. Presently UTU has 10000 plus students and 500 plus qualified faculties.

About The Institute

BPKM has started a self-financed engineering college entitled Chhotubhai Gopalbhai Patel Institute of Technology (CGPIT) in the year 2009 with the view of educating and training future professionals to lead in today's competitive environment. CGPIT provides dynamic and conductive learning environment to meet the needs of globalization and industrialism. CGPIT offers Diploma, B.Tech., M.Tech. and Ph.D. programs in various disciplines.

About The Department

Department of Computer Engineering was established with the objective of imparting quality education in the field of computer science and technology. The department has highly qualified faculty members engaged in teaching-learning and research activities with the aim of achieving excellence and meet the current industry needs.

About MAAC

MAAC- Maya Academy of Advanced Cinematics is the high-end 3D Animation & VFX education brand. Through its wide network of centres, MAAC has prepared thousands of students for careers in Animation, VFX, Filmmaking, Gaming, Web and Graphics Design. The Academy provides quality education through career-oriented courses, leading to top-notch job placements.

About the Workshop

Who can forget the cute and martial arts obsessed Panda. Blockbuster movies such as Kung Fu Panda, The Chronicles of Narnia, Ice Age are striking examples of the miracle that is animation. The primary objective of one day workshop on **"Animation and VFX: Adding life and magic to your imagination"** is to provide good understanding of the basic principles of animation, primary techniques involved (hands-on), future trends and scope in animation industry.
