8. Program summary:

A GUJCOST sponsored one day workshop on “**ROLE OF IPR IN INNOVATION MANAGEMNT FOR ACADAMIA INDUSTRY COLLABORATION**” was organized by Department of Electrical Engineering, Chhotubhai Gopalbhai Patel institute of Technology, UTU. This one day workshop was organized to guide the faculty members and M.tech students for Patent and research related information. Nowadays the education and research area is not just sufficient to improve our country's technological

wealth. For effective Technological wealth publishing more Patents can increase our country's ranks in most published countries in all over world which is required. So it is essential to gain more knowledge about patents and its rules & regulations to file and publish it. Considering the above perspectives, Mr. Darshan Vora sent a proposal to GUJCOST and received a grant of rupees thirty thousand for organizing the said workshop. The event began with UTU song, which was followed by lamp lighting. Dr. Raj kumar patil, Director, Chhotubhai Gopalbhai Patel Institute of technology delivered a key note address for the workshop. Mr. Darshan Vora, Organizing Secretary, welcomed the speakers of the workshop .Dr. Anil Saraogi, Director, Centre for Development of Leadership in Education Pvt. Ltd. Pune, India, conducted session on "Basics on IPR(With Focus on Patents)".Mr. Kirtibhai Patel, Director of IPcalculus Registered Indian Patent Agent, Surat, conducted session on "Patent Search and Patent Information". Dr. Pankaj Gandhi, he has completed different degrees and PhD, conducted session on "Patent law for researchers and its implementation from Academia – Industry Collaboration point of view".
