
Automobile Engineering Department, CGPIT, UTU

has organized an educational visit at

“MUNI SEVA ASHRAM (MSA), GORAJ, VADODARA”

Details of the visit:

Date of visit	11 th January, 2020
No of Students	45
No of faculties	02
Total No of visitors	47
Students	B Tech Auto Engg Students – 6 th Semester
Learning Aspect	Solar Energy, Biogas Energy, Battery operated vehicle
Students’ Coordinator	Hardik Mavani, Karan Sukhwani
Faculty Coordinator	Mr Hiren Shah
Contact Person	Mr Aditya Soni (Design Engineer, Sunrise CSP India Pvt. Ltd.) Dr Deepak Gadhia (Chairman, Sunrise CSP India Pvt. Ltd.)

The visit was started at 4:30 am from Surat and reached MSA at 9:45 am. MSA is lush green campus with ample amount of space. Mr Aditya Soni escorts the visitors to solar flat plate collector area, Bhagini Mandir (mentally retired women hospital), battery operated vehicle space, Old age home, Cancer hospital, Bio gas plant, solar parabolic collector area, and Solar operated VAR system. Students get ideas about the use of renewable energy sources like solar & biogas energy. Breakfast & lunch was provided on advance payment basis. Dr Deepak Gadhia has taken a motivational talk on “entrepreneurship”. He inspired students to become a businessman. Total 17 students have donated blood at cancer hospital. It was knowledgeable & philanthropically connected educational tour. The return journey was started at 5:30 pm and reached to Surat at 9:30 pm.
