

Sthapatya-2020 organized by ICEA- Surat

20-21-22-23 December, 2019

Vanita Vishram Ground, Athwagate, Surat

The Institute of Civil Engineers & Architects, Surat (ICEA) established in 1966; today enjoys the dictum of being referred to as “the apex body of architects, Civil Engineers & interior designers” with more than 850 members. Promoting the most modern & latest technologies of the profession and sharing the same with the community at large; ICEA organizes each year its flagship event Sthapatya in form of an Exhibition.

The name that carries in projecting & presenting to the professionals and the Society at large is STHAPATYA – an exhibition of building material, architectural & interior products; which even the architects, civil engineers, planners, interior designers, contractors, builders eagerly await.

The 23rd edition of STHAPATYA scheduled from December 20th to 23rd, 2019 had been at the prime location with a huge open space, ample parking and of course the swift exhibition layout covered in air-conditioned Domes; the venue centrally located is known as Vanita Vishram ground, opp. Mahavir hospital, Ring road, Surat.

This year Chhotubhai Gopalbhai Patel Institute of Technology had participated in this event. The students of Civil Engineering Department had presented their valuable project work at 23rd STHAPATYA- 2020. The students had received an overwhelming response and appreciation. Also, management of Uka Tarsadia University visited the stall and motivated the students and faculty members.

Entire participation had been carried out under the valuable guidance of Dr. Rajkumar V. Patil, Director, CGPIT and the mentorship of Dr. Manoj J. Gundalia, Head, Department of Civil Engineering. Here, the list of student coordinators along with faculty coordinators and some photographs have been attached.
