Sub:- Permission for Industrial Visit

Dear Sir / madam,
As you may be aware, Chhotubhai GopalBhai Patel Institute of technology, Maliba campus, UKA Tarsadia University, Bardoli is one of the reputed Engineering Institution in Gujarat and known for its excellent record in academic and co-curricular activities. Our university is NAAC (National Assessment and Accreditation Council government agency) Accredited with B+ grade. The College offers Bachelor of degree courses in ECE, CSE, Mech, Auto, IT, Comp, Chemical Engineering, Mechatronics, ICT. The state of art facilities and competent faculty provide an excellent climate for the all round development of the students.

As a part of curriculum, the students are required to undertake Industrial Visits to a reputed industry. We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical application of theory

In the above background, we would like to send a batch of about **50 students** of Chemical engineering Branch of **4th year (8th sem)** accompanied by **Two staff members** (Shrinivas Mundkar and Manu Saji Samuel) to visit your esteemed industry preferably on / during **4th February 2020 (or first week of February)**.

I request you to kindly accord the necessary permission for the above visit and arrange guiding the students. We assure you that our students will observe the rule and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit.

We shall be grateful for a favorable response.

Thanking You

Date: - 4th February 2020

To
HR Department
Godrej Industries Ltd
Valia, Ankleshwar, Gujarat

Respected sir,

This letter is to appreciate the hospitality and efforts put forward by you for our reception during our industrial visit on 4th February 2020 at your esteemed firm **Godrej Industries Ltd**.

It was with your valuable advice and constant support throughout the visit, we enjoyed and learned the process so much. It was of great privilege for our students to be at a place where each and every sector of engineering has a significant presence. The process explanation and observing the industrial equipment's so closely helped in boosting the self-confidence of our students.

This visit to **Godrej Industries Ltd** was truly knowledge enhancing. We would also like to thank you for providing a perfect platform to our students to raise their doubts and queries to the resourceful person. This helped to bridge their theory knowledge and practical aspects.

All the arrangements were at par and made our journey relaxed and focused on learning practical things form the experts.

About Godrej Industries Ltd.

Godrej Industries is one of the Godrej Group's holding companies. It has significant interests in consumer goods, real estate, agriculture and gourmet retail through our subsidiary and associate companies, across 18 countries.

Godrej Consumer Products is an emerging markets FMCG leader, delighting consumers with innovative, superior quality products at affordable prices. Godrej Properties brings innovation and excellence to the real estate industry in India, delivering superior value through extraordinary and imaginative spaces created out of deep customer focus and insight. Godrej Agrovet is a diversified, Research & Development backed agri-business company, dedicated to addressing India's key agricultural crises. Its Chemicals division, ranks among India's leading manufacturers of oleochemicals and surfactants and its products are exported to over 80 countries in North and South America, Asia, Europe, Australia and Africa.

Godrej's Corporate Centre works across these companies and drives synergy and excellence across our diverse, growing portfolios. The teams at the Centre include Strategy, Strategic Marketing, Human Resources, Communication, Legal, Audit and Assurance, Information Technology, Finance, Good & Green and the Godrej India Culture Lab.

Products at Valia Unit

They manufacture a wide range of oleochemical products derived from organic materials. Their constantly evolving product portfolio includes Fatty Alcohols, Fatty Acids, Surfactants, Glycerine and Specialty Products. Their products are used as raw materials in the home and personal care, pharmaceutical and food industries.
