Uka Tarsadia University
C. G. Patel Institute of Technology
B. Tech. (Semester 5) Test 1 Time Table (A.Y. 2020-21)

Date	Time	EC	Computer	IT	Electrical	ICT	Chemical	Mechanical	Mechatronics	Automobile	Civil
5-10-2020	2:00- 2:45	Analog Communication	Computer Networks	Computer Networks	Microprocessor & Interfacing	Operating System	Heat Transfer Operation	Manufacturing Technology - II	Manufacturing Technology - II	Automobile Engines	Raiway, Bridges and Tunnel Engineering
6-10-2020	2:00- 2:45	Integrated Circuit and Application	Java Technologies	Java Technologies	Advance Control System	Information Theory and Coding	Mass Transfer Operation-I	Turbo Machines	Engineering Economics and Management	Mechanics of Automobile Body	Construction Technology
7-10-2020	2:00- 2:45	Engineering Electromagnetic	Design and analysis of algorithms	Design and analysis of Algorithm	Rotating A.C. Machines	Microprocessor and Microcontroller	Mechanical Operation	Power Plant Engineering	Electro Mechanical Energy Conversion	Hydraulics and Pneumatic	Analysis of Indeterminate Structures
8-10-2020	2:00- 2:45	Computer Networks	Advanced Processing Environment	Advance Database Management System	Power Electronics	Computer Networks	Chemical Engineering Therrmodynamics-II	Mechatronics	Heat Transfer and Mass Transfer	Automotive Electronics	Water Resources Engineering - I
9-10-2020	2:00- 2:45	Microcontroller & Interfacing	Web Technologies	Web Tecnologies	Power Systems – II	Introduction to Verilog HDL / Programming with Java	Instrumentation and Process Control	Operation Research	Operations Research	Off-road Vehicles	Fundamentals of Environmental Engineering
10-10-2020	2:00- 2:45	-------------	-------------	-------------	Electromagnetics	Digital VLSI Design/ Programming with Python	Polymer Science Engineering	Theory of Machine - II	Microprocessor & Microcontroller	Kinematics & Dynamics of Machines	Basic Geotechnical Engineering
