Feedback form Analysis

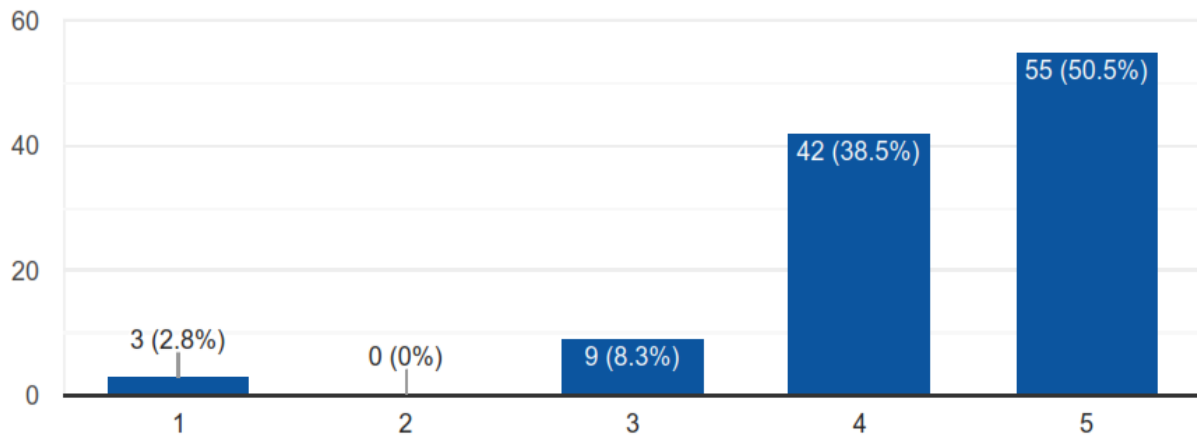

How helpful was webinar for you?

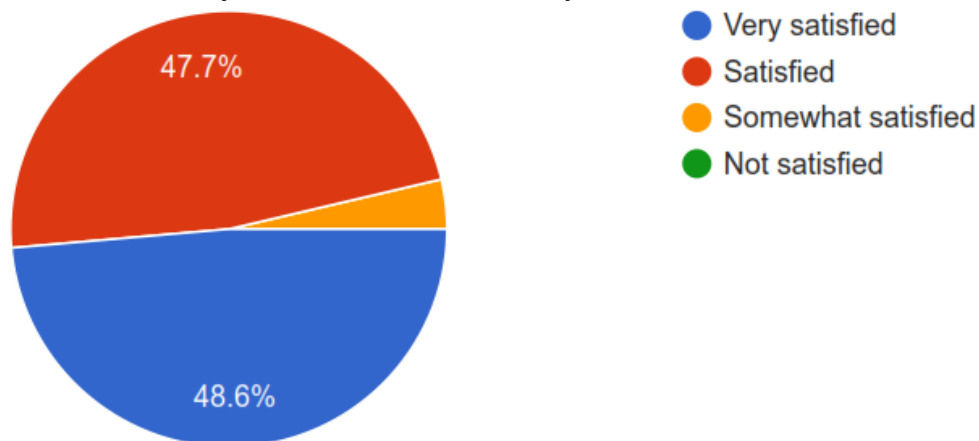

How likely is it that you would recommend the even to a friend or colleague?

1 = Not at all likely

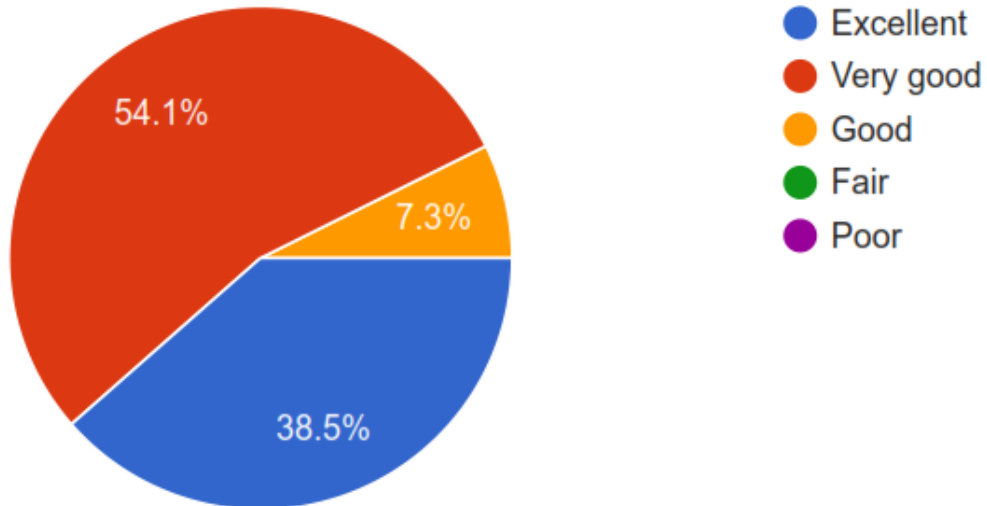

5 = Extremely likely

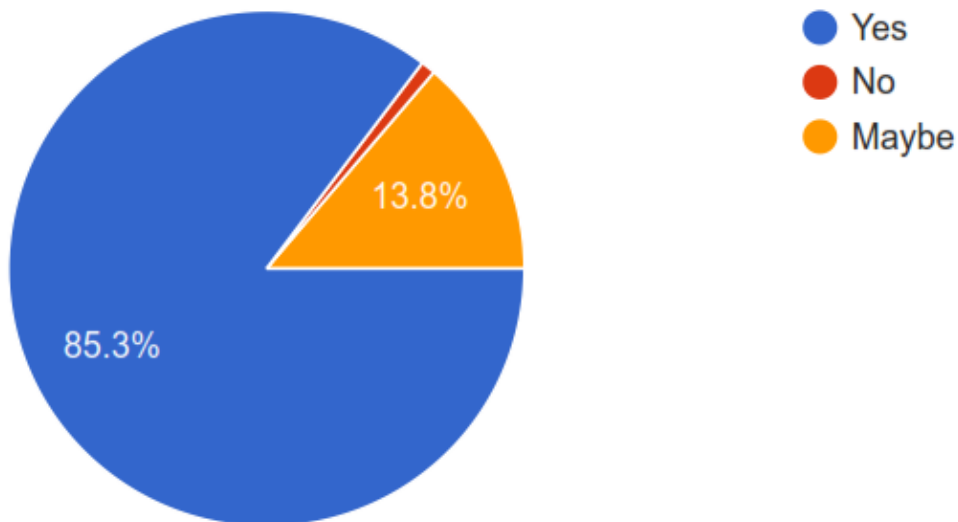

Please make indicative your satisfaction for the speaker of the webinar.

Overall, How would you rate the webinar?

Are you like to participate in our future events?

Do you have any suggestions for future webinar topics? Please mention the topic name.

- Engine design
- Connection between solid works and 3-D printer
- How can we improve our old automobile technology for not using electric surface?
- Automobile body
- MATLAB
- Autodesk alias
- Solidworks in detail
