

**Lab In-charge List of The Department of Electrical Engineering**

Sr. No	Room No.	Name of the Laboratory	Name of The In-Charge		Subject Taught in the Laboratory
1	B-003	Electrical Machines Laboratory	Ms. Hinal Surati	Mr. Arjun Jariwala	D.C. Machines & Transformer, Rotating A.C. Machines, Machine Design, Electrical Machine Laboratory, A.C. Machines.
2	C-008	Power System Protection & Switch Gear Laboratory	Mr. Jay Patel	Ms. Arpita Patel	Power System Protection and Switchgear, Power station design engineering, Modern power system protection, Switch gear and protection.
3	C-009	High Voltage Engineering Laboratory	Mr. Jay Patel	Mr. Bhargav Patel	High Voltage Engineering
4	B-204	Network Laboratory	Ms. Unnati Mali		Network Theory, Electrical Wiring Estimating Costing and Contracting, Control System.
5	C-206	Power Electronics Laboratory	Mr. Ranjit Rajak		Power Electronics
		Measurement & Instrumentation Laboratory			Electrical Measurement and Measuring
					Electrical Instrumentation, Modern Measurement & Instrumentation Lab.
6	K-105	Basics of Electrical Engineering Laboratory	Ms. Nidhi Shah		Basics of Electrical and Electronics (All First Year), A. C. Circuits.
