Respected Sir,

We are very thankful to you for accepting our invitation for webinar session at our institute as a expert and delivering "D to D admission in Civil Engineering best choice " arranged by civil engineering department at G.P.Junagadh on 02nd July-2021. Students are satisfied and got something more after your discussion.

We are very much thankful to you for giving your precious time for betterment of student and at large of our institute. We are expecting your valuable support & guidance to enhance students knowledge and ability of students in future.

Thanking You.
