

A REPORT ON ENGINEERS' DAY-2021 MERRIMENT

Every year, the country celebrates September 15 as National Engineer's Day to appreciate the contributions of Mokshagundam Visvesvaraya. The Bharat Ratna awardee, Visvesvaraya was born on September 15, 1861 in a village called Muddenahalli in Karnataka. A Bharat Ratna awardee, Visvesvaraya had studied Bachelor of Arts (BA) from the University of Madras and pursued civil engineering at College of Science in Pune. He later patented and installed an irrigation system with water floodgates at the Khadakvasla reservoir near Pune to raise the food supply level and storage to the highest levels. This was also installed at Gwalior's Tigra Dam and Mysuru's Krishnaraja Sagara (KRS) dam, the latter of which created one of the largest reservoirs in Asia at the time.

While serving as the Diwan of Mysore, he was awarded 'Knight' in 1915 as a commander of the British Indian Empire by King George V. He received the Bharat Ratna in 1955, became a member of the London Institution of Civil Engineers before he was awarded a fellowship by the Indian Institute of Science (IISc) Bangalore.

The eminent engineer, Mokshagundam Visvesvaraya passed away in 1962.

To remember the birth anniversary of him, one of the great legends and engineer himself, Sir Mokshagundam Visvesvaraya, We CGPIT also join hands together in the merriment.

The invitation

The engineering student community as a whole devoted entire day and conducted the following activities as competition.

1. Poster making competition
2. Quiz
3. Rangoli Making
4. Treasure Hunt- KYC (Know Your College)

To organize this event we seek official permissions from **UTU, Honourable Provost, Dr. D. R. Shah Sir** through **Respected Director of CGPIT, Dr. R. V. Patil Sir** and we received positive approval. After having approvals, officially invited faculty members and students for the said merriment.

The Engineer's Day-2021 event is categorised in two sessions, Morning session is dedicated for student activities and Afternoon session is for official gathering at marvellous Pushpam Tarsadia Hall, UTU.

Some of the technocrats of CGPIT came with proposal to have a stage talk on the topic of "**Evolution of Engineering sectors**" and we accepted their proposal.

Email Invitation

Respected Head of the departments and beloved faculty members, as we know, Engineers' Day is coming-up, unitedly we are going to celebrate on 15th day of September, 2021. We cordially invite you to grace your presence with much enthusiasm to encourage students' community. All the classes are suspended for the day.

Today's Students are Tomorrow's Engineers
