Seminar on “Career Opportunity in Fraternity of Management”

March 11, 2022, 09.30 AM (D-004)

Department of Civil Engineering organized a seminar on career opportunity in Fraternity of Management. The seminar was coordinated by Prof. Yati R. Tank and Prof. Dimple Desai. Dr. Swapnil Chaurasia, Assistant Professor, SRIMCA- MBA, UTU delivered a talk on “Career Opportunity in Fraternity of Management” on March 11, 2022 at 09.30 AM in CGPIT classroom D-004. Total 60 participants effectively participated in that seminar. Prof. Yati R. Tank welcomed Dr. Swapnil Chaurasia.

Dr. Swapnil Chaurasia delivered a talk on different scope available after completion of B. Tech. in field of Management specifically. He talked about the different job title in the Fraternity of Management and Administration such as public sector, central government job, state government job, private sector job, business, further study in India and abroad. He discussed various branches of management and delivered the distinct reasons why one should choose management as a career path and how it can prepare one for a top leadership position like, constant development, clear career progression, dealing with uniqueness, expansion of knowledge, lucrative salaries, etc.

The healthy questionnaires were raised by the participants and speaker gave the answer very nicely. Participants got general background knowledge about the different career opportunity in Management after B.Tech. At the end of the session, Prof. Dimple Desai thanked Dr. Swapnil Chaurasia for sparing his valuable time to deliver the talk and guide the students.
