An Alumni Talk on “Share What I Gain”- Career Opportunity for Higher Studies in Abroad- A Question-and-Answer Session

International Collaboration Cell, CGPIT has organized an Alumni Talk on “Share What I Gain”- Career Opportunity for Higher Studies in Abroad- A Question-and-Answer Session for the students of Civil Engineering Department. The webinar was coordinated by Prof. Grishma P. Thaker & Prof. Yati R. Tank.

Bhagyesh Patel (Australia) Roshani Surati (New Zealand), Manan Kanani (USA), Vivek Madhvani (Canada) delivered an alumni talk on “Share What I Gain”- Career Opportunity for Higher Studies in Abroad- A Question-and-Answer Session on March 25, 2022 at 09.00 am via online mode Google Meet (meet.google.com/ryq-esnt-rby). Total 50 participants effectively participated in that talk. (Girls 05, Boys 50)

Initially, Prof. Grishma P. Thaker welcomed all the alumni. During the talk some questions were raised by students like, difficulties faced during preparation and getting admission, branch to be preferred for higher studies in abroad requirement of any specific consultant or tuition, the criteria for scholarships, opportunity, cultural difference and study environment of the institute abroad, any bad/good experience. The alumni gave their valuable suggestions for the queries raised. They also advised the students to focus on active participation on Linked IN and learning management systems.

The healthy questionnaires were raised by the students and all the alumni gave the answer very nicely. Participants got general background knowledge about the different career opportunity for higher studies in abroad after B.Tech. At the end of the session, Prof. Yati R. Tank thanked all the invited alumni for sparing his valuable time and enriching, motivating, inspiring and sharing their valuable experiences with the students to deliver the talk and guide the students. The students also thanked the organising members and alumni students for such a wonderful session.

Information about invited Alumni

1. Mr. Bhagyesh Patel:

Qualification: Master in construction project management (University of New South)

Master in Global Project Management (UNSW)

Profession: Building and Construction Trainer.
