## Invitation E-mail (Draft Copy Sent to Company)

Dear Recruiter,  
Greetings from Uka Tarsadia University!

We feel privileged to have a recruiter like you and send our sincere thank you for being on this journey together. To continue this beautiful journey, we would like to invite you for the recruiter's meeting before the execution of the Industrial Training cum Placement program for the upcoming 2023 graduating batch from the Computer Science and Engineering Courses.

We graciously invite higher officials and representatives of your esteemed organization for this meeting to discuss the expectations and needs of the recruiters as well as the organization (UTU) to make the entire upcoming placement process smooth and hassle-free. We hope that together we will lay a wonderful foundation for our rising talent pool, which will be helpful for their future platform.

**We are keeping this google form mandatory for registration for both the cases whether your representative/s are attending or not attending this event so we can ensure our arrangement process and also send all next proceedings after this event to all the registered recruiters. Please complete your registration on or before 04-07-2022 (Monday).**

We are looking forward to welcoming you to our vibrant campus.

## Invitation to Guest Speaker (E-mail Draft Copy)

Dear Sir,

We are delighted by having the opportunity to invite you as a guest speaker to our university to enlighten our precious recruiters from the Computer Science and Engineering domain. As an eminent HR professional of esteem organization, we would be grateful if you share your experiences and opinions on recruitment policies while hiring freshers' candidates with the attendees. Also, we are looking for your guidance on the situations encountered during the pre-and-post recruitment process and their possible solutions to achieve a win-win situation for both industries and new employees.

This recruiter's meeting aim is to frame a concrete policy structure for the placement of upcoming 2023 graduating students [a total of 438 counts from B.Tech (CE/IT/ICT) M.Sc. (IT) and MCA program] from Computer Science & Engineering Courses with our regular and newly communicated recruiters. These available students are selected by Software Industries for the last semester's industrial projects plus final placement. The placement drive for these courses starts every year in the month of July and ends in October.

We hope you will accept our request and make available yourself for this event from your busy schedule to help Software Industries representatives/officials to frame effective yet liberal policies.

This recruiters' meet will take place at Uka Tarsadia University on July 09, 2022 (Saturday) from 10:00 am onwards.

We hope that we will benefit a lot from your presence.
