A report of Expert Talk on

Importance of Water

Speaker: Dr. Manoj Gundalia, Associate Professor & Head, Department of Civil Engineering,
CGPIT, Uka Tarsadia University

Total Nos. of Participants: **85 (Girls – 19 & Boys – 66) + 8 (Faculties)**

Venue: Diwaliba Polytechnic Auditorium

An Expert Talk on **Importance of Water** has been organized under the celebration of World Water day (22nd March, 2023). Prof. Vijay Vaghela, Head of Civil Engineering Department, Diwaliba Polytechnic has organised this session with an objective to spread awareness about water stress and conservation. Coordinator and anchor Prof. Vijay Vaghela welcomed speakers with bouquets and gave brief introduction about the session and speaker. Dr. Manoj Gundalia, Associate Professor and Head, Department of Civil Engineering CGPIT, UTU delivered talked on “Importance of Water”.

Dr. Manoj J. Gundalia congratulated the Diwaliba Polytechnic team for organizing this session on the celebration of World Water Day. He explored the importance and purpose of the World Water Day. He elucidated in depth forms, types and uses of water with displaying relevant pictures. He discussed the function of water in human body, water demand, and different sources of water in details. He explored the challenges and problems in water sectors along with the reliable solution like water harvesting. He made the lecture interesting by asking questions to the participants. Sh. Vijay K. Shah, Director of Diwaliba Polytechnic, explained fact of world water day by presenting suitable examples. The session was ended with vote of thanks delivered by Prof. Vijay Vaghela.
