A report

on

Expert Session on:

**“Career Opportunities after Civil Engineering in Government
and Private sector”**

for B.Tech Final and Prefinal Year Students

of

Civil Engineering

17th July, 2024

(Tuesday, 01.30-3.30 PM onwards)

(Participant Students number: Boys 12 and Girls 03)

Organized by

Department of Civil Engineering

छोटुभाई गोपालभाई पटेल प्रौद्योगिकी संस्थान, बारडोली
Chhotubhai Gopalbhai Patel Institute of Technology, Bardoli

**CHHOTUBHAI GOPALBHAI PATEL INSTITUTE OF TECHNOLOGY
UKA TARSADIA UNIVERSITY, MALIBA CAMPUS, BARDOLI**

A Report on
“Career Opportunities after Civil Engineering in Government and Private sector” for B.Tech Final and Pre-Final Year Students of Civil Engineering

Speaker: Prof. Mukesh Rai (Head, Acumen Academy, Vadodara)

Prof. Mukesh Rai, Carrier Counselling Coach, Mentor, Acumen Academy, Vadodara.

A career counselling for B.Tech final year students has been organized on 17th July, 2024 in which prime focus was to discuss and array the students for carrier opportunities after diploma or degree was discussed. Dr. Manoj Gundalia welcomed the speaker and has conducted first session during the programme. He delivered talked on importance of higher education in civil engineering. He elaborated the need of master’s degree course in current scenario.

He explained in depth with practical examples about Knowledge, Skill, Ability, Capacity, Capability, Attitude, etc. along with minimum quality required for strong civil engineer. He differentiated between Engineering and Technology course contents and enlightened the students about future job scenario, hierarchy of posts in Companies/ Government Departments. He also discussed about further studies and scope, various Government and Private sectors jobs after competition of degree course. He also gave insights on Masters in Soil Mechanics and Foundation Engineering course that is offered in our Institute and motivated them to think in that direction too.

Main Session was Conducted by **Mr. Mukesh Rai Sir**. He is Chief Mentor for Engineering students having 9+ years of Experience in teaching Engineering Students. He has educational background of BE (Civil Engineering), M.Tech in Civil (Structural Engineering).He has helped 2000+ students to unlock their potential with GATE and GPSC and helped them to reach Top IITs , premium PSUs/Private sector units and other government departments. Passionate for teaching & effective mentoring of students are his major skills.

His Achievements are:

1. Cleared GATE 9 Times
2. Selected as JUNIOR ENGINEER in ULB Haryana
3. Awarded as Best Teacher 3 times

4. Author of more than 16 books

He talked about importance of clearing GATE examination during their B.E/B.Tech Programme and also discussed about GPSC examinations. He explained in depth the importance of clearing GATE examinations and advantages of it in future. Also he gave insights on GPSC examinations, their examination patterns, Cutoff marks, number of vacancies through government sites every year and benefits of clearing examinations. Students were patiently listening as well as responding to whatever they were being asked and taught. Session was ended with very fruitful question-answer round of student and mentor.

Vote of Thanks

Dr. Manoj Gundalia gave a vote of appreciation at the end of the session and congratulated the organisers, students, and expert on the program's successful conclusion.
