## **About JK Paper Ltd.:**

Established in 1962 JK Paper is the leading player in office paper, coated paper and packaging board segments. With three facilities - two major integrated Pulp and Paper Mills at Rayagada (Odisha) near the Eastern coast of India and Songadh (Gujarat) on the West coast and a third unit recently acquired at Sirpur (Telengana), the company has a combined capacity of about 6 lakh tons annually. Being the pioneer of branded paper in India, the Company exports its Branded Copier Papers and Packaging Boards to 35 countries covering USA, Middle East, Southeast Asia, SAARC and African countries.

Paper is produced via Social Farm Forestry without harming a single natural forest tree. Paper-based solutions are 100% bio-degradable and recyclable which provide customers a choice of switching to a Sustainable future.

## **About Visit:**

The visit started at 08:45am on 20<sup>th</sup> October,2023 from the Maliba Pharmacy entrance gate. The students were transported to the Fort Songadh with the luxury bus organized by the student's coordinators. Around 10:00 am the batch arrived at the JK Paper plant. After completing the reception and registration procedure at the main gate of factory entrance the safety officer Mr. Ravi provided the safety helmets to all the visitors. Ms. Khyati from the HR & IR dept was introduced by Mr. Ravi who led all the students to HR department conference room.

In the Conference room all the rules and regulations for the safety were made aware to all the students. The breakfast was served for refreshment and then the students were transported to the gate 3 entrance from the same bus and the factory visit started around 10:45am.

After the expansion of the plant the fully automated Paper machine plant for cardboard were introduced. So, the students were allowed to visit this new plant. Mr. Ravi explained the process from the cooking of wood chips, the making of row pulp, the bleaching process, the drying and formation of paper rolls, cutting of the rolls as per the customers requirement and then packaging and storage. The students were also able to see some mechanical components like Plummer block bearing, different types of roller, pumps, hydraulic actuating systems, sensors etc. During the visit students also asked their doubt and queries to the concern person.

At 12:45 the visit completed and using the same bus the batch was transported to main gate entrance. As a part of curtsy the HR representative Ms. Khyati was offered the letter of Thanks giving and the memento by Faculty Mr. Jayesh and Mr. Ankit.

The return journey was started at 01:15 pm and reached to CGPIT college at 02:30 pm.

**Sub: To grant permission for industrial visit in your factory area.**

On behalf of "Chhotubhai Gopalbhai Patel Institute of Technology", I would like to request you to grant permission for industrial Visit in your factory premises to our final year students. A campus visit is part of our curriculum vitae for undergraduates. During this site visit, students will be able to gain a deeper understanding of the various manufacturing processes, power plant components, design procedures, as well as your organization's systems, processes, schedules, and performance and in addition to this an opportunity to learn something which will go a long way in shaping their knowledge level and skills.  
Let me furnish the detailed information regarding the no. of students and expected date.

**No. of students visiting:**  
Mechanical Engg. - 16  
Mechatronics Engg- 03  
Automobile Engg- 11

Total Students: **30 nos.**  
**No. of Faculty visiting: 2 nos.**  
**Date & Time:**  
I propose any convenient date of the first two weeks of October. (Saturday/Sunday is holiday for students so please exclude these days)

Awaiting for an early reply.

Yours sincerely,  
  
Mr. Jayeshkumar Parekh
